WSOE

The student members of WSOE, flushed with the recent success of their AM Carrier Current Radio Station, have begun laying plans for a new system, which will be much expanded over the present facilities. Included in the plans are a full power FM Radio station, WSOE-FM, and, for the future, the members are planning, optimistically, an opening date of July 26th, 1969 for their Carrier Current Television Station, WSOE-TV. No immediate date could be predicted for the opening of WSOE- FM
